Patterson Township Recycling Program

RESIDENTIAL CURBSIDE COLLECTION

- ◇ **Recycling:** Recycling is collected every other Friday by Aiken Refuse; see the Township website for dates and details. Recycling cans are available for purchase at the Township office.
- ◇ **Grass:** Bagged grass clippings are collected every Wednesday, May—October.
- ◇ **Brush:** Bundled brush, 2-feet by 4-feet, is collected every Tuesday, May—September.
- ◇ **Leaves:** Leaves that are wind-rowed along the road are collected from mid-October through the end of November, weather dependent. Collection will start at one end of the Township and continue through, picking up where they left off the previous day.

RECYCLING CENTER

- ◇ 40-cubic yard roll-off labeled for grass (January—October)
- ◇ 20-feet by 20-feet concrete pad for placement of brush that needs to be chipped (January—September)
- ◇ 40-cubic yard roll-off labeled for already chipped brush (January—September)
- ◇ Leaves can be dropped off in labeled roll-off once curbside collection of leaves begins, mid-October through the end of November, weather dependent. Leaves must be loose.
